Paul Washer:

Paul Washer became a believer while studying at the University of Texas. After graduating, he moved to Peru and served there as a missionary for ten years, during which time he founded the HeartCry Missionary Society in order to support Peruvian church planters. HeartCry's work now supports indigenous missionaries throughout Africa, Asia, Europe, the Middle East, Eurasia, North America, and Latin America. Paul now serves as one of the laborers with the HeartCry Missionary Society. He and his wife Charo have four children: Ian, Evan, Rowan, and Bronwyn.

HeartCry Missionary Society:

The HeartCry Missionary Society began in 1988 in the country of Peru with a desire to aid indigenous or native missionaries so that they might reach their peoples and establish biblical churches among them. Since then, the Lord has expanded our borders to include not only Latin America, but also Africa, Asia, Eurasia, Europe, and the Middle East. The goal of our ministry is to facilitate the advancement of indigenous missionaries throughout the world. Our strategy consists of four primary components: financial support, theological training, Scripture and literature distribution, and the supply of any tool necessary to facilitate the completion of the Great Commission.
